

Raising the Standards in Underground Enclosures

# GlasMasters Trim Options

If you find one of GlasMasters enclosures that meets your needs, but maybe you need a slight modification such as a different hole size or different location.

GlasMasters can easily make the modifications you need without custom charges, even for small quantities.

Recommended Specs Why leave the quality of your products to chance? Don't settle for poor quality, specify the quality you deserve.

We can help you create your own individual specifications to ensure that you get quality products even in a competitive bid situation.

Call GlasMasters today.
